

Gwadar Port Authority

EXPRESSION OF INTEREST (EOI)

Gwadar Port Authority (GPA), Ministry of Ports & Shipping, Government of Pakistan intends to join hands with a reputable & experienced private institution for operation of Pak-China Technical & Vocational Institute (PCTVI) of Gwadar Port to provide Technical & Vocational Training, on Public Private Partnership (PPP) basis.

2. For the above-mentioned PPP venture, GPA has acquired the building and other infrastructure of the old Degree College Gwadar spread on 18 acres of land, for construction of PCTVI to be financed by Government of China under a Chinese Government grant. The work is expected to commence during 2017. The construction work may take 2 years.

3. However, initially it is planned to start at least three to four technical training programs to meet the near future requirements of the skilled workforce at Gwadar by utilizing the existing infrastructure for which class rooms, workshop halls, laboratories, principal office, teacher's lounge, staff offices and residence quarters, vehicle parking sheds, boundary wall, generator room, access internal roads and utilities etc are available.

4. The PPP for vocational training covers sharing of resources and expertise for efficient and effective management of the facility with a view to meet the future requirements of technical workforce for industrial and port related fields.

5. Interested parties may submit their EoI in writing to the Gwadar Port Authority by 14th March 2017 during office hours at the address given below and send a representative well conversant with PPP mode of operating a vocational training institute to a pre-RFP meeting scheduled at the same address on 13th February 2017 at 11:30 a.m. to discuss details of the program and exchange views on modalities of the PPP venture.

6. This advertisement is also available on the website of Public Procurement Regulatory Authority (PPRA) www.ppra.org.pk and Gwadar Port Authority (GPA) www.gwadarport.gov.pk
